

H A Harman International Company

HSD 200 SR/oc

Communication Headset

Description

Headset with semiopen headphones and a high quality close talking microphone. The dynamic microphone rests in a shock mount that supresses both cable noise and acoustic leakage of the headphones signal to the microphone. The microphone's pickup characteristic is hypercardioid. The cable is open ended.

Features

- High quality headphones
- Noise canceling dynamic microphone
- Cardioid microphone pickup
- Speech optimized frequency range

Specifications

Microphone:	
Transducer Principle:	dynamic
Frequency Range:	50–11,000 Hz
Polar Pattern:	cardioid
Sensitivity at 1,000 Hz:	1 mV/Pa $\hat{=}$ -60 dBV
Equivalent Noise Level:	< 24 dB-A
S/N Ratio (A-weighted):	> 70 dB
Electr. Impedance:	< 650 ohms
Load Impedance:	> 1,000 ohms
Power Requirement:	none
Connector:	none
Special Features/Applications:	close talking, noise canceling microphone for communication application
Included Accessories:	foam windscreen
Headphones:	
Transducer Principle:	dynamic
Type:	semi open, supra aural
Frequency Range:	20–28,000 Hz
Rated Impedance:	100 ohms/system
Cable Length:	3 m (10 ft.)
Finish:	non reflective black
Net Weight:	250 g (8.8 oz.)
Special Features/Applications:	High quality headset for communication applications
Included Accessories:	foam windscreen

Architect's and Engineer's Specifications

The headset shall have semi open designed headphones and a microphone, resting on a flexible gooseneck and a shockmount. The microphone shall have a hyper cardioid pickup range with a limited frequency response of 50 to 11,000 Hz. For noise cancelling purposes it shall have a close talking frequency response design. It shall have a

sensitivity of 1 mV/Pa (-60 dBV). It shall include a high performance windscreen. Colour: Non reflective black. The headset shall be the AKG HSD 200 SR/oc.

Graphical Data

AKG is constantly improving and modifying its products, therefore, specifications are subject to change without notice.

Limited Warranty

Valid only in the United States. AKG Acoustics warrants AKG products against defects in material or workmanship for a period of one year from the date of original purchase for use, and agrees to repair or, at our option, replace any defective unit without charge for either parts or labor. Important: This warranty does not cover damage resulting from accident, misuse or abuse, lack of reasonable care, the affixing of any attachment not provided with the product, loss of parts or connecting the product to any but the specified receptacles. This warranty is void unless service or repairs are performed by an authorized service center.

No responsibility is assumed for any special, incidental or consequential damages. However, the limitation of any right or remedy shall not be effective where such is prohibited or restricted by law. Simply take or ship you AKG product prepaid to our service department. Be sure to include your sales slip as proof of purchase date. (We will not repair transit damage under the no-charge terms of this warranty.) Note: No other warranty, written or oral is authorized by AKG Acoustics, Inc. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Some states do not allow the exclusion or limitation of incidental or consequential damages or limitation on how long an implied warranty lasts, so the above exclusions and limitation may not apply to you.
